Dear Resident,

The Events People Australia have submitted an application to Council to host The City Slider on:

NEY ROAD, CAPALABA
SATURDAY 17 OCTOBER FROM 9:00AM - 8:30PM

THE EVENT:

The City Slider is a 325m long, 6m wide double lane inflatable waterslide that will turn the Northbound lanes of Ney Road into a fun filled alcohol free family friendly playground. The slope of the street along with a small amount of water allows participants to travel down the slide on supplied tubes to a shallow pool at the bottom.

The event is run over twelve hours, broken up into ninety-minute sessions ending at 8:30pm.

LOCATION:

The event will involve the closure of both sides of **NEY ROAD (Northbound)** from **MACQUARIE STREET** to **MACQUARIE STREET**, **NEY ROAD (Southbound)** from **CALLAGHAN WAY** to the intersection with **MACQUARIE STREET**. Queensland Police will be in attendance.

- Set up for the event will commence at 10:00pm Friday 16 October and conclude by 8:30am Saturday 17 October
- The City Slider will operate from 9:00am - 8:30pm Saturday 17 October
- The event will pack-up and move out from 9:00pm Saturday 17 October and all equipment will be removed by 4:00am Sunday 18 October when Ney Rd will reopen

IMPORTANT INFORMATION YOU NEED TO KNOW:

This section of Ney Road will be closed to all vehicle traffic for the entire event period. Residents who only have vehicle access from Ney Road will be provided with alternative parking options as close as possible to minimise any inconvenience. Road remains open to pedestrians.

To minimise the disruption of local residents, The Events People Australia will make every effort to reduce noise and the impact from the event. During set-up and pack-down, truck and forklift movements will be kept to a minimum however there will be some disturbance.

During the event we use a PA system for music and announcements which will be within Council regulations, however we will take further steps to minimise the impact of noise by only making required announcements, keeping the music to an acceptable level and ensuring the entire system is shut down by 9:00pm.

We use a water treatment/recycling system to minimise our use of water and impact on the environment. The system operates like a swimming pool and will meet all Council requirements.

EVENT PARKING:

Parking is available for a \$2 donation on the oval at Coolwypin State School, accessed via the Callaghan Way entrance. In the event of heavy rain, this may be closed so the oval is not damaged.

BUS:

Translink buses will detour along Macquarie Rd rather than stop at Ney Rd for the duration of the road closure.

SUPPORTING LOCAL CHARITIES:

We are pleased to support three local charities with the City Slider Redlands event: Redland Foundation (against Domestic Violence) ; Brisbane Children's Hospital; Catholic Mission.

Please join us in supporting these great charities.

INFORMATION HOTLINE - 0418 577 357 (for questions relating to the event)
